

An all-in-one smart device that looks great and allows you to take the checkout to your customers.

# Function meets Form

Our latest payment terminal has a modern design that lets both you and your customer get a great view of every transaction.

#### A TURNKEY SOLUTION

Features a mobile and countertop credit card terminal, printer, signature pad, PIN pad, and docking station.

#### WIRELESS FREEDOM

WiFi capabilities enables you to take the checkout (and tipping) to your customer, inside or outside your business.

#### ACCEPT ALL PAYMENTS

Processes all payment types – magstripe, chip (EMV) cards, and mobile payments such as Apple Pay (NFC).

#### POWERFUL SECURITY

With encryption and Safe-T, your customers' payment data is protected by the latest technology.

#### STRONG SUPPORT

Includes a dedicated support team to help whenever you need it 24 hours a day, 7 days a week.

#### ROBUST REPORTING

Our HQ dashboard makes it easy to monitor sales, refund transactions, and settle with one click.
